

# 6<sup>th</sup> Grade Faith Statement Guidelines

Write a paragraph (at least 7 sentences) about “Where do I see God?”

Think about what you have learned in confirmation, Bible verses that you have read and the four pillars,

What you write about can be where you see God in everyday life or where you’ve seen God during a special time but it must be your own experience, not something that happened to a friend or something you saw on the internet

Talk to your parents and have them help you write/proofread your work.

I am also available to answer questions or give any other help you need any time up until the due date.

Absolute due date (no exceptions) **April 15**
