

Did you know that your Amazon purchases can benefit Living Word Lutheran Church? Thanks to our charity partnership with AmazonSmile, a portion of all of your purchases of eligible items comes straight to our church to provide programs and services to the Living Word community.

It only takes a few steps to set up your Amazon account to benefit our cause and start shopping! Here's how it works:

- Visit <http://smile.amazon.com> to set up your account or log in with your existing Amazon account information.
- In the "Supporting" option at the top left, click and search for "Living Word Lutheran Church". Be certain you select OUR church in Katy from the list.
- Once you've selected us to benefit from your purchases, we will receive 0.5% of the purchase price of any item you buy that is marked as "Eligible for Amazon Smile donation." It may not seem like a lot, but those dollars add up fast!

Keep in mind – in order for Living Word to receive donations from your purchases, you **MUST** shop through <http://smile.amazon.com> and not via amazon.com. If you have an Amazon account, you will receive your full account benefits through this charitable giving platform in the same manner as their main domain platform. For example, Amazon Prime members still receive their Amazon Prime benefits through the Amazon Smile domain.
